Dear Parent:

One of the core values of Central Baptist Church is that God designed the family as the primary place for discipleship. God intended for parents to be the primary faith trainers of their children and The Faith Path initiative exists to partner with you as you guide your child's spiritual journey one step at a time.

I hope you will take the following simple steps to begin the process in your family.

STEP ONE: WATCH

We have provided a short video that explains the philosophy behind the Faith Path. Please take a few minutes to watch in order to better understand why Central Baptist Church wants to partner with you in fulfilling your most important parenting assignment.

STEP TWO: READ

You will find a brochure that explains our "one step at a time" strategy. If your child is registered with Central Baptist Church, you will automatically receive a Faith Path kit to help you leverage the best faith formation strategy for your child's stage of development. If you don't know whether your family is properly registered or whether we have birthday information on each child, please contact Karyn Wade (kwade828@gmail.com) to update your family profile.

STEP THREE: START

To help you jump start the process of intentionality, this kit includes two activity options called *Faith Walk* and *Faith Handoff*. I encourage you to put a day and time on your schedule right now to get started.

Thank you for taking seriously the task of guiding your child's faith at home. I hope you find the Faith Path initiative helpful. Feel free to visit cbccrossville.org to learn more and to determine which step you can begin with your child today.

Warm regards.

Scott White
